We said hello and welcome to Paul Haynes, Railway Planning Manager in Spring 2019 and goodbye in later 2019. Thanks for all your help.

Station Improvements

Whittlesea Station Planters

Whittlesea Station Planters were provided through ACoRP's Designated Community Rail Development Fund and installed by our Whittlesea and Manea volunteers

Brand new waiting shelters for Manea and Whittlesea Station were chosen by the public through our online survey in June 2019.

These lovely new facilities were installed in March 2020 thanks to CPCA Fenland Station Regeneration funding.

Promoting the Line

The Hereward CRP now has its own space on the new **Community Rail Notice Boards** installed in June at Cambridge Station. Thank you for organising this Martin Halliday – Community Rail Norfolk.

A new style **Hereward Line Timetable** was developed by the Hereward CRP in February. This shows all the trains that stop at Manea, March and Whittlesea in one clear booklet.

A brand new **Hereward Line video** and **Hereward the Wake leaflet** have been developed for the Hereward Line thanks to Greater Anglia's Community Rail Marketing.

Both can be viewed at www.herewardcrp.org
