

March to Wisbech

A NCN63 country lane cycling link
Total distance - 7.5 miles

1 Rings End Nature Reserve

The National Cycle Network Route 63 (NCN63) runs from Peterborough to Wisbech, via Whittlesey and March. This map provides details of the March to Wisbech section of this route.

Begin your journey from the nature reserve car park. Turn left onto Twenty Foot Road which marks the start of the wet weather route section of the NCN63. Please take care here as this is a busy road with a 60mph speed limit.
Distance 800 yards or 0.45 miles

2 Graysmoor Drive

After a short distance along Twenty Foot Road, take the left hand turn on to Graysmoor Drive. This is a quieter 20mph road but be careful of uneven or cracked surfacing (this can be a regular issue due to the nature of Fenland's ground conditions).
Distance 1.6 miles

3 Long Drive

To continue on the route to Wisbech follow the drive as it curves to the right. Continue along this road past Waldersea Sidings. The speed limit along this road reverts to the national speed limit (60mph) at the junction with Belt Drive. Please take extra care here around passing traffic.
Distance 2.2 miles

4 Belt Drive

Turn left onto Belt Drive and continue. At the crossroads carefully head straight across to remain on the route (Belt Drive).
Distance 1.1 miles

5 Begdale Road

The road continues and becomes Begdale Road leading into Elm. The speed limit reduces here to 30mph as the road passes into the village.
Distance 0.9 miles

6 Main Road, Elm

When you reach the junction turn left onto Main Road. Follow this for a short distance until you reach Low Road on your left.
Distance 420 yards or 0.25 miles

7 Low Road

Turn onto Low Road and continue until you reach the shared use path leading to the A47. This road is a very busy traffic route where extra care should be taken. Here you can use the toucan crossing (for pedestrians and cyclists) to reach Elm Low Road on the opposite side.
Distance 740 yards

8 Elm Low Road, Wisbech

At this point you are on the outskirts of Wisbech.

To continue follow the road for 0.5 miles until you reach Weasenham Lane. From here you have the option to continue along the NCN63 towards the town centre shops, library, museum and market place (0.6 miles). Alternatively, you can turn left and head toward the Cromwell Road shops, eateries and The Light Cinema (0.8 miles).
Distance 0.5 miles

Points to note:

- All distances are approximate.
- This route is road based. Mostly without footpath provision.
- To report a problem on this route visit: highwaysreporting.cambridgeshire.gov.uk or email supporters@sustrans.org.uk
